# Weiland *Tech*

*Dedicated to applying professional scientific knowledge, mathematics, and ingenuity to develop solutions for technical problems*

- Located just north of New Castle at 151 Wittenbreaker Ave. our Engineers develop new technological solutions.
- During the engineering design process, our engineer's define your problems by conducting and narrowing research, analyzing criteria, finding and analyzing solutions, and making decisions.
- At Weiland Tech, we weigh different design choices on their merits and choose the solution that best matches the requirements, in order to produce a successful result.
